## Welcome to a unique experience!

On the 10<sup>th</sup> of August 1628 *Vasa*, a magnificent warship, sank on the maiden voyage. The ship was discovered almost intact 333 years later – a time capsule from the 1600s. *Vasa* engages and excites those of curious and enquiring minds. With over 1 million visitors yearly, the Vasa Museum is one of the most visited museums in Scandinavia and has been nominated as one of the best museums in the world several years in a row on Tripadvisor.

Over 3 000 successful evening events have been arranged since the opening of the Vasa Museum's current premises. At the Vasa Museum we pride ourselves in our dedication to create an unforgettable evening for you and your guests.

## The Ship Hall

The spacious Ship Hall is the perfect venue for dinners and receptions. The Ship Hall accommodates up to 800 seated guests and up to 2 000 guests at standing receptions.

Start with a drink and a tour around the *Vasa* presented by our knowledgeable guides before taking your seat for dinner under the warship's magnificent bow. With *Vasa* as a unique backdrop and the grandiose atmosphere of the Ship Hall, we promise you an evening to remember.
